LAKESHORE LIGHT

It's a beautiful day to be a Lakeshore Lancer!
Welcome back students, we look forward to a great 2019-2020 school year.

Join us in engaging the minds, spirits and talents of our students and teachers. Our current big project is focused on updating the Lakeshore Community Auditorium, and we are counting on your support.

Read the LEF insert in this newsletter for more information.

Grounded in Tradition – Committed to Excellence

Message from the Superintendent

Superintendent
Phil Freeman

The Lakeshore Public Schools staff has been working hard this summer to prepare for the upcoming school year. Our crews are putting final touches on our maintenance and construction projects. Secretaries are enrolling students, preparing rosters and class lists, and ordering supplies. Administrators are hard at work hiring new staff, setting goals for the year, and arranging trainings for our staff. Teachers, as they always do, are learning new skills in workshops and seminars and using this newfound expertise to prepare for another successful year. Getting ready for a new school year is a lot of work!

The same is true for families as they prepare for a successful school year. For some students, the return to school is an exciting time. They are filled with anticipation and can't wait to get back into the routine. For others, particularly those transitioning to a new building or walking through our doors for the first time, these are anxious times. Most kids fall somewhere in between.

No matter what the case, there are things that families can do to prepare their children for a successful school year.

The lazy days of summer are about to give way to the structured regimen of the school year. Readjusting your child's sleep schedule is often one of the hardest transitions to make as the school year starts. It's not too early to ease away from late nights and unstructured mornings and get them back into their school routine.

We are grateful for the financial support of the **LAKESHORE EXCELLENCE FOUNDATION** and for the efforts of the LEF all-volunteer board.

One of the best pieces of advice I can give is to involve your child in whatever you choose to do to prepare for the school year. Whether it is back to school shopping, coming up with a new bedtime routine, or discussing goals for the year, allowing your child to be part of the conversation creates a sense of ownership and helps to build positive excitement

CONTINUED PAGE 2

The mission of Lakeshore Public Schools, in partnership with families and the community, is to guide students toward achieving educational excellence by engaging, inspiring and empowering them to think, learn and pursue their individual passions with knowledge, confidence, and integrity – the foundation of their future.

2019-2020 Lakeshore Board of Education Regular Meetings

April 20, 2020 **
May 11, 2020
June 8, 2020

**The April meeting will be held on the third Monday due to Spring Recess.

SUPERINTENDENT'S MESSAGE CONTINUED ...

about school. In terms of back-to-school shopping, take your child with you. Allowing children to choose their "style" of supplies will go a long way toward building self-confidence while ensuring they use and care for their belongings during the year.

Prior to the first week of school, create and discuss routines that will help with your child's academic success. This includes helping your child create a "**drop spot**" where all of their belongings will live when they are not in school.

Placing backpacks, lunch bags, keys, etc. in the same place all the time cuts back on the hectic days of searching for items when the bus is pulling up.

Setting up a time and place for homework is also vital in setting your child up for academic success. Having a place free of distractions with needed supplies within arm's reach will assist in streamlining homework time. Again, having your child involved in deciding the "when" and "where" will go a long way in building ownership and responsibility.

Each new school year is a fresh start for our students, bringing renewed excitement as well as new challenges. Rather than leaving success to chance, it is helpful to talk with your kids about past accomplishments and future expectations as the year begins. This includes both academic and social success. Reassure them that you will do whatever you can to help them monitor their progress and support them when they struggle. This will help reduce anxiety and build both confidence and resiliency in your child, characteristics vital to success in school and beyond.

Lakeshore Public Schools is committed to the success of each and every child. As we move closer to the opening of school, we look forward to working in partnership with our families and community to provide the best possible experience for our students. That is our tradition. That is what being a Lancer is all about!

10th Annual Adam Tilly Memorial Golf Outing

On July 6th, 96 golfers came together for a great day at Lake Michigan Hills Golf Course to play in memory of a former teammate, classmate, friend and son, Adam Tilly.

Lauren Cook

Morgan Moore

Adam was a 2001 Lakeshore High School graduate. He was a strong athlete, starting for some great Lancer football squads. He threw shot put and discus (and occasionally ran 400's) and was team captain for a track team that won state. He always excelled in the classroom and served two years on student council. Adam was a great individual on and off the field – a selfless teammate who ALWAYS put the team's objectives above and beyond personal accolades.

In April 2005, he graduated from *Michigan Technological University* with a Bachelor of Science in Civil Engineering degree. Adam was a recipient of the prestigious *Thompson Scholarship*, which is awarded to outstanding students in the university's civil engineering program. After graduating from Michigan Tech, he accepted a civil engineering position with *Pearson Construction Co.*

In July 2006, Adam's life was cut short by melanoma cancer. In memory of Adam, Hans Koppenhoefer has organized this yearly event. **This once small outing among friends has grown into much more** -- a 501(c)(3) non-profit organization, *AT53 Inc.*, awarding yearly scholarships to outstanding Lakeshore High School seniors. ***AT53 Inc.*, has proudly awarded $13,000.00 in scholarships in the past six years. Great work, Hans!**

AT53 Inc. is proud to award two scholarships this year to outstanding graduates. Lauren Cook, who will attend *Grand Valley State University* and plans to earn her Bachelor of Science in nursing, and **Morgan Moore**, who will attend *Alvernia University* and plans to pursue her doctorate in physical therapy while also playing hockey. Best of luck ladies!

Adam is also remembered by his family's gift to the football program, a storage building on the side of Lancer stadium. The building with the #53, Adam's three – year varsity football number!

This year's outing was by far the best yet. With golfers and volunteers coming together for a wonderful event to honor and remember Adam. *AT53 Inc.* wishes to extend special thanks to our generous hole sponsors, donors, golfers, volunteers, community leaders, family and friends. We are grateful for your support, and proud to represent such a fine young man. We could not do this without you!

The Board of AT53 Inc.—
Hans & Lisa Koppenhoefer, Brandon Cerecke, Brett Schlender, Chris Tilly, Scott & Kristin Merrill

Overwhelming support of this event is received from former teammates, friends, teachers, coaches, community leaders and family.

Lakeshore Welcomes New Certified Staff

Our newest staff members can't wait to welcome you to the 2019 fall semester!

JASON HOLOK

ASSISTANT PRINCIPAL, LAKESHORE HIGH SCHOOL

Jason received his bachelor's degree in special education from *Indiana State University*, and his masters in educational leadership from *Grand Valley State University*. Jason has taught high school special education at Bridgman Public Schools since 2006 and also at Lakeshore the four years prior to that. He and his wife reside in Stevensville and have two children attending Lakeshore.

ALLISON MEYER

KINDERGARTEN, STEWART ELEMENTARY

Allison is returning to Lakeshore in the 2019-2020 school after taking a year off. She was previously at Roosevelt Elementary for nine years teaching kindergarten and Young 5's.

ALLISON GRAVES

4TH GRADE, STEWART ELEMENTARY

Allison recently received her bachelor's degree in elementary education with mild intervention licensure from *Saint Mary's College* and did her student teaching in Mishawaka.

JULIE RADUCHA

5TH GRADE, HOLLYWOOD ELEMENTARY

Julie received her bachelor's degree in education from *Western Michigan University*. She has been teaching in Germany since 2012 and prior to that in Battle Creek.

SARAH BREWSTER

5TH GRADE, STEWART ELEMENTARY

Sarah received her bachelor's degree in general elementary and early childhood education from *Western Michigan University* and has been teaching in Florida for the past five years.

LOUIS NOAKES

SPECIAL EDUCATION, EMOTIONALLY IMPAIRED, ROOSEVELT ELEMENTARY

Louis most recently was a substitute teacher for Lakeshore while completing the Transition to Teaching Elementary Licensure Program at *Bethel College*. He earned his bachelor's degree from *Western Michigan University* and was a special education paraprofessional at the high school from 2013-2015 and is also a Lakeshore alumni.

DAVID GAILEY

CHOIR DIRECTOR, HIGH SCHOOL

David received his bachelor's degree in music education from *Western Michigan University* and his master's in choral conducting from *Texas State University*. He has taught for Eaton Rapids, Traverse City, and most recently Grand Traverse Academy.

ANI KUHN

ENGLISH LANGUAGE LEARNER, DISTRICT-WIDE

Ani was previously a kindergarten teacher for Lakeshore for a number of years until 2012, when she chose to stay home to raise her family. She received her bachelor's degree from *Grand Valley State University*.

JODIE HAUGHEY

MARKETING, HIGH SCHOOL

Jodie was a business teacher for South Bend Community Schools from 2011-2014 and more recently owner of an insurance company and software builder for Spectrum/Lakeland Health.

JESSICA BLASKO

KINDERGARTEN, ROOSEVELT

Jessica most recently has been a substitute paraprofessional and substitute teacher for Lakeshore. Jessica and her husband's four children attend Lakeshore and she is an energetic Lancer fan.

Lakeshore Schools Meal Programs

Proudly providing students with quality meals

All schools serve breakfast.

Children who come to school hungry may find it difficult to stay alert and learn. The school breakfast program helps by providing children with a great start to their day. All students are invited to participate in the breakfast program. Students who ride the bus can go directly into the cafeteria for breakfast. Breakfast is served in the elementary at 7:55 A.M. and in the middle and high schools at 7:10 A.M. A breakfast menu is posted on the website. Cereal is available every day. Breakfast cost is $1.60 for elementary students, $1.75 for middle school and $1.80 for high school students. Students receiving free or reduced lunch will also receive free or reduced ($.30) breakfast. Come and visit the cafeteria for breakfast. ***If you have any questions please call Pam Greiffendorf, Food Service Director, 428-1400, ext. 2965.***

All schools are serving breakfast. Breakfast is served in the elementary at 7:55 A.M. and in the middle and high school at 7:10 A.M. Breakfast/lunch menus are posted on the Lakeshore School website: lakeshoreschools.k12.mi.us

Completed free and reduced lunch applications can be mailed to address listed below or brought to your child's school office before school begins. Applications will be accepted after **July 1, 2019**. Applications can be found on the school's website and will also be sent home with every child when school starts. You will be notified by mail of your status. All students who were on the free or reduced meals program this past school year will remain with the same status for the first 30 days or until a new application is returned. After 30 days, students will be full pay until a new application is approved. Only one application per family is needed for all students. Other students cannot identify who is free or reduced.

2019/2020 meal prices are as follows:

	Breakfast	*Lunch*
Elementary	**$1.60**	**$2.65**
High School/Middle School	**$1.75/$1.80**	**$2.85**
Staff/Adults	**$2.30**	**$3.75**
Reduced prices for all students	**$ .30**	**$ .40**

Online Payments Available *(see mymealtime.com info at right)*
There is a fee for this service. You will need your child's Student ID number. These numbers will be available at the *Meet & Greet* in August, or on the first day of school. It is free to set-up the account and you can view your child's account at all times. This account can't be created until the end of August when all students are entered and assigned to their teacher.

All balances are forwarded in June to the next school year. Please pre-pay for your child's meals. We have a negative balance policy that can be viewed on our website. Envelopes are available by all deposit boxes and in elementary offices. You can pay by cash or check (Lakeshore Public Schools). All deposits need to be made before **10:00 A.M**. Elementary students turn in deposits to their teacher. Middle school students please use the deposit box located by the office. High school students can use deposit boxes located in the principal's office or the cafeteria.

LAKESHORE LANCERS

My MealTime

Lakeshore Schools has partnered with *My MealTime*, a fast, secure online service for making credit or debit card deposits and monitoring your student's lunch account.

mymealtime.com

Download the mobile app
Use your device's web browser and go to mymealtime.com. If you're on a mobile device, from the My MealTime sign-in screen, choose the appropriate button to download the My MealTime app.

Easy steps to use *My MealTime*

Step 1: Register. Click or tap the Register button and follow the onscreen prompts to create your *My MealTime* account.

Step 2: Link Your Student. Click or tap the 'Add Student' button, then find your student's school. Link them to your profile by using their student ID number that was provided by your student's school.

Step 3: Make a Deposit. You may choose to store your credit/ debit card for quick and easy repeat use.

LAKESHORE LANCERS

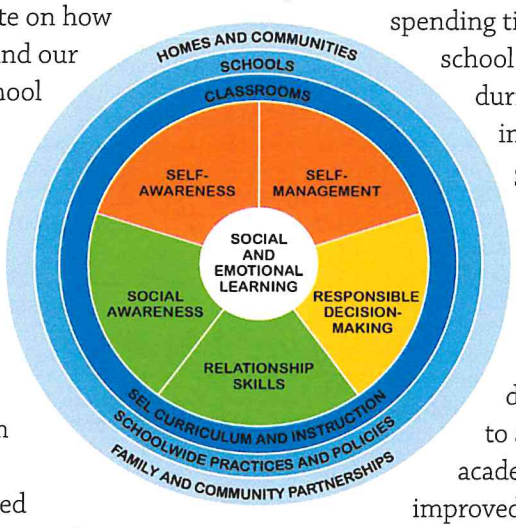
From Guidance to Social Emotional Learning

For the past 20 years, Lakeshore has prided itself on being a leader in the world of social emotional learning.

For quite some time, we were the only district to have full time elementary school counselors in each building, and were adept at implementing a comprehensive, developmentally appropriate, school counseling program. While this still holds true, the time has come for us to reflect and update on how we view our work and our roles within the school community.

For years, the elementary school counselors have been providing "guidance" to all students once per week in a classroom setting. The word "guidance" originated from the idea that counselors helped older students discover and move toward their careers. This idea, while helpful, has become outdated and is not an accurate reflection of what happens during our classroom time, nor is it in line with what an elementary school counselor actually does. A more accurate term, "Social-Emotional Learning" or SEL, has emerged. SEL is a much more thorough and accurate term to describe the role of the school counselor.

The Collaborative for Academic, Social, and Emotional Learning (CASEL) is the front running organization for SEL. Research defines SEL as "the process through which children and adults understand and manage emotions, set and achieve positive goals, feel and show empathy for others, establish and maintain positive relationships, and make responsible decisions."



This definition paints a truer picture of what students learn while spending time with their school counselor during classroom instruction, small group learning, or individual sessions. Additionally, data has shown that SEL implementation is directly correlated to an increase in academic achievement, improved behavior and mental well being, and improved lifetime outcomes, not to mention a strong return on investment. Essentially, it's a foundational piece to the success of our students and our community.

All three elementary buildings will be adopting the age appropriate, research based curriculum called *"Second Step"* for the 2019-2020 school year.

"Second Step" will be used during the weekly SEL time with all students. This curriculum teaches and reinforces skills such as, self-awareness, self-management, social awareness,

LEF
LAKESHORE
EXCELLENCE
FOUNDATION

THANK YOU BOARD MEMBERS - 2019

Thank you to LEF Board members, Kim McAllister and Randy Bettich, for serving the Lakeshore Public Schools and community. Your time on the LEF Board has benefited many people in our community - we thank you for your dedication of giving your time and talents for the past nine and six years respectively.

Kim McAllister

Randy Bettich

17th Annual Lakeshore Scramble presented by the Lakeshore Excellence Foundation

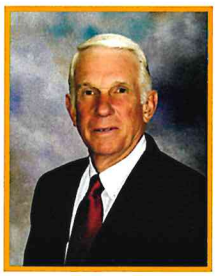
On June 17, 32 teams took on the challenging Harbor Shores golf course. Some prevailed, some just had fun, but either way, the real winners are the Lakeshore Public Schools students and teachers.

LAKESHORE EXCELLENCE FOUNDATION ENDOWMENT FUND

The Endowment Fund is our long-term strategy to funding the LEF mission of learning for generations to come. Annually, the LEF Board evaluates the health of the fund, makes contributions based on giving and project needs, and reinvests the earned interest. If you are interested in learning more about the Endowment Fund, please contact J.C. Anderson at (269) 921-2513 or email at anderjcna@gmail.com.

LEF
LAKESHORE
EXCELLENCE
FOUNDATION

FROM THE CHAIRMAN



J.C. Anderson
LEF Chairman

As a new school year quickly approaches, I'd like to recognize the dedication of the many people in our district who make Lakeshore Public Schools a great place for our students.

We are fortunate to have a school board and administration that work together for the greater good of our teachers and students. We have teachers and staff that care about the education and well-being of our students. And we have many volunteers and financial supporters who make the great experiences at Lakeshore Public Schools possible.

One group of volunteers is the Lakeshore Excellence Foundation Board. The Foundation was established in 1997 to support the teachers, students, and community of Lakeshore Public Schools. Today the Foundation is made up of volunteers who have children and/or grandchildren who are in or have graduated from our schools. Some of our volunteers engage because they want to give back to the community and the school system. Whatever their reasons for being a volunteer, they have a vested interest in the best-outcomes possible for our students.

Each Board member who is elected is asked to commit to two (2) consecutive three (3) year terms for a total commitment of six (6) years. This ensures we have consistency and that we are able to execute on plans in place over the longer term. The Board meets monthly (usually the 1st Thursday) at the high school. Each member is expected to attend the Board meeting plus serve on one of our four committees, which also meet monthly. The four (4) committees are: *Fund Development, Marketing, Projects, and Grants.* The public is welcome to attend any of the meetings!

We currently have 26 Board members after our recent transitions of people completing their six-year term and the addition of new members.

Randy Bettich and Kim McAllister provided significant contributions to the Board during their terms.

Randy, for example, **challenged us to think BIG** when we were planning for the presentation by the Navy SEAL Rob O'Neil.

He offered up that we should put together a very private and small group that could have lunch with Rob for a $1,000 a plate contribution. We did the luncheon along with other BIG ideas ... and this speaker presentation fundraiser raised a net $96,000.

Kim McAllister chaired our Grant Committee overseeing the administration of **a growing grant budget allocation from $70,000 to the current $200,000 annually.** Kim initiated numerous refinements to the grant process, which enhanced the ease of application for both users and the LEF grant administration. Not to mention, Kim willingly stayed on beyond her terms for another three years (nine years in total!) to assist the Board with evolving needs for new processes and approaches and to ensure a good transition to her successor.

Thank you to Randy and Kim for their dedication to the Lakeshore Public Schools and their commitment to the Lakeshore Excellence Foundation!

Our newest Foundation Board members bring a wealth of experience and perspective as educators. Dana Riley, Janine Harrison and Kris Weber are recently retired and represent a combined 69 years experience in Lakeshore Public Schools (and a total of 87 years as educators)! Our goal as a Board is to bring balance to our discussions with teachers, administration, businesses, parents, alumni, legal, and management perspectives all being represented. We welcome and appreciate the addition of such great education stewards to the Board.

A final thought about this great group of volunteers is that, as a team, they "get it." They understand our mission and why the success of the Foundation is the ultimate benefit to the Lakeshore Public Schools. Everything we do is to ensure that our students get a quality education that prepares them for the future. Our goal is to close the funding gap between what our schools get in comparison to the other 80% of the Michigan schools who get a greater allocation per student. In 2018, the Foundation raised a record $563,900 or approximately $204/student. Working together with the school board, administration and teachers, we invest these dollars where they will have the greatest impact. In this newsletter, we give investment updates on a regular basis.

We enjoy our opportunity to serve you, the Lakeshore community. We believe that our investments in kids and education are a great investment and will pay off handsomely for our community in the future. Please note the 26 members of the Board mentioned in this newsletter. Take the time to say "hi" and thank them for their volunteer work on the LEF Board.

Sincerely,
J.C. Anderson, Chairman

WELCOME NEW BOARD MEMBERS!

Janine Harrison

After graduating from *Michigan State University* in 1988, Janine began a 30-year career in education. She taught first and third grade at Stewart Elementary and spent six years coaching the girls' varsity tennis team. During her time at Lakeshore, she completed her Masters in Education at Western Michigan University.

She has played an active role in the community over the years volunteering on committees such as Relay for Life, March of Dimes, Lake Michigan College Winners Circle Auction, and the United Way. Janine and her husband Bob have two children, who both graduated from Lakeshore High School. Janine enjoys playing tennis, gardening, walking their family dog (Izzo), and spending time with family and friends.

Kris Weber

Children have always been Kris Weber's passion. She graduated from the *University of Wisconsin-LaCrosse* and has taught Elementary Physical Education for 30 years in four different states. She and her husband Larry relocated to Stevensville in 1998, when Larry accepted a leadership position at the DC Cook Nuclear Plant. Kris then continued her career working for Lakeshore Public Schools teaching Elementary Music and Motion and Physical Education. She served on numerous committees including Co-leader of the Crisis Team, curriculum committee, mentor teacher and Girls on the Run Coach. After retiring from Lakeshore Public Schools in 2015, Kris and Larry have enjoyed traveling the world, spending winters in Venice, Florida, cheering on the Green Bay Packers, and spoiling their three grandchildren! They both serve on the Advisory Board for Lory's Place. Kris enjoys singing in two choirs and runs a few 5K's.

Dana Riley

Dana is not only an alum of Lakeshore, but is also a retired teacher with 27 years spent as an elementary teacher. She spent 22 of those years as a classroom teacher at Lakeshore. She remains connected to the district by volunteering at Roosevelt Elementary, co-directing the high school musicals, and as the Drama Club Advisor at the high school. Wanting to do more to support her fellow teachers, she joins the LEF as an opportunity to ensure the continued support for teachers and students that the LEF provides. Dana graduated from the *University of Kentucky* with her teaching degree and obtained her master's degree through Western Michigan University. She has been a Realtor with The Jung Agency since 2008 and now pursues that career full time. She also serves on the board for the Therapeutic Equestrian Center where she has volunteered for eight years. In addition, she volunteers at the Harbor Shores Senior PGA, is an avid ballroom dancer, enjoys camping and hiking with her husband and two dogs. Time spent volunteering and with family are some of her most enjoyable moments.

DISTINGUISHED
Alumni Award

DISTINGUISHED ALUMNI
MICHAEL BRADLEY, CLASS OF 1977

Bradley speaking at the 2019 commencement:

HOME AGAIN

Questions - Elizabeth Meeth

This June, surrounded by family and friends, Stevensville resident Michael Bradley was honored during a special ceremony as this year's Lakeshore Excellence Foundation Distinguished Alumni. The award recognizes Bradley for decades of work in law enforcement, homeland security, and emergency management. The 1977 Lakeshore High School alum was chosen from a list of talented nominees by a committee led by Lakeshore Alumni Association President, and LEF trustee, Chad Deja.

"The Distinguished Alumni committee looks for candidates who excel in their professions, and make significant contributions to their communities, to serve as role models who inspire and challenge today's students," said Deja. "Michael has by far exceeded these requirements working behind the scenes in Berrien County, so our community is prepared and safe in the event of an emergency."

Bradley was presented the award by Lakeshore Excellence Foundation Chairman J.C. Anderson. Anderson took the opportunity to read some comments written about Bradley in support of his nomination.

"It took me by surprise," said Bradley. "It took my breath away when I heard what people had to say about me. The fact that they took the time and effort to say such nice things - it's more than humbling."

As part of the honor, Bradley served as keynote speaker during commencement ceremonies for this year's graduating senior class of Lakeshore High School. Bradley recalled tripping on the way to the podium back in '77 before giving his commencement speech as a graduating senior. He's given a lot of speeches since then, but he says this most recent one held special meaning.

"It was like being home again," said Bradley. It was very humbling to stand in front of all those graduates, and their parents and relatives. I had quite a few family members and friends in the audience that day. Some people I even graduated with came up and congratulated me afterwards. It brought back a lot of memories."

Bradley used his speech to let those in attendance know he wouldn't be where he is today, without one important thing --

"Surround yourself with people who will support and encourage you," said Bradley to the graduates.

"I've gotten to where I am today because of the people who have worked and supported me along the way. I do my job to the best of my ability and am proud to serve my community in any way I can, but don't feel I am any more deserving of this award then most of you here. Graduates, you are all destined to do great things, and if you see it you can achieve it!"

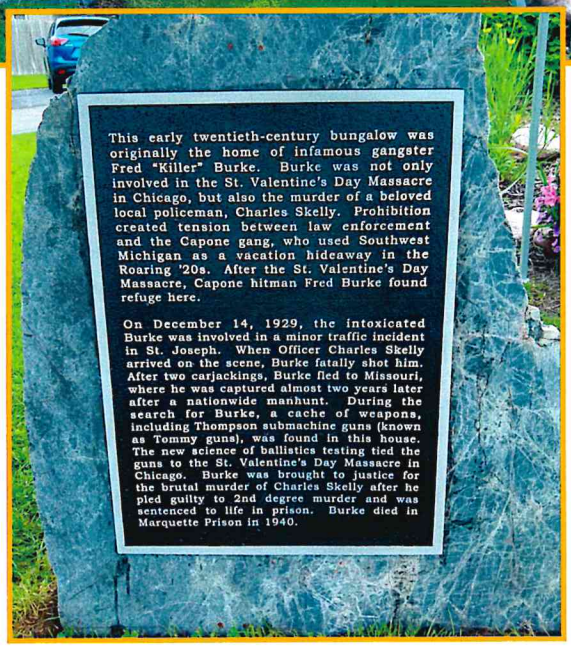
"IT WAS LIKE BEING HOME AGAIN."

Bradley, his wife, daughters and granddaughters surrounding a 2019 Lakeshore High School graduate who Laura Bradley cared for since the graduate was a small child.

LAKESHORE STUDENTS RECOGNIZE FALLEN OFFICER FROM 1929

LEF Grant Historical Marker

LEF Staff Support Grant



This early twentieth-century bungalow was originally the home of infamous gangster Fred "Killer" Burke. Burke was not only involved in the St. Valentine's Day Massacre in Chicago, but also the murder of a beloved local policeman, Charles Skelly. Prohibition created tension between law enforcement and the Capone gang, who used Southwest Michigan as a vacation hideaway in the Roaring '20s. After the St. Valentine's Day Massacre, Capone hitman Fred Burke found refuge here.
On December 14, 1929, the intoxicated Burke was involved in a minor traffic incident in St. Joseph. When Officer Charles Skelly arrived on the scene, Burke fatally shot him. After two carjackings, Burke fled to Missouri, where he was captured almost two years later after a nationwide manhunt. During the search for Burke, a cache of weapons, including Thompson submachine guns (known as Tommy guns), was found in this house. The new science of ballistics testing tied the guns to the St. Valentine's Day Massacre in Chicago. Burke was brought to justice for the brutal murder of Charles Skelly after he pled guilty to 2nd degree murder and was sentenced to life in prison. Burke died in Marquette Prison in 1940.

ONE OF AMERICA'S OLDEST UNSOLVED MURDERS IS GETTING SOME HISTORIC RECOGNITION LOCALLY.

The Coldwell Banker Realtor's office on Red Arrow Highway was once home to a notorious mobster. Fred "Killer" Burke lived there. It's where police found the tommy guns used in the 1929 St. Valentine's Day Massacre.

Officer Charles Skelly

The first break in the case occurred on December 14, 1929, in St. Joseph, Michigan.

On this Saturday night, 25-year old St. Joseph City Police Officer Charles Skelly was on foot patrol at the corner of Broad and State Streets. It was on this fateful night that Officer Skelly would lose his life, which later resulted in the break needed by authorities to eventually locate and arrest Fred Burke.

Students at Lakeshore High School, along with family members of Officer Skelly, recently gathered to dedicate a historical marker as a tribute in Skelly's honor.

LEF LAKESHORE EXCELLENCE FOUNDATION

GERMAN-AMERICAN STUDENT EXCHANGE

Our ambitious plan for a German-American student exchange would have been impossible without a supportive international network of parents, community leaders, teachers, administrators and students.

My sincere thanks to everyone who helped us make this dream a reality for the students of Lakeshore High School and Gesamtschule Hardt in Mönchengladbach!

The Lakeshore Excellence Foundation, Lakeshore Rotary Club, GAPP, and private donors provided generous monetary support, and countless others donated their time and energy. Thank you to all of you! The entire experience was profound, and the friendships formed have enriched the lives of our students and families throughout our respective communities.

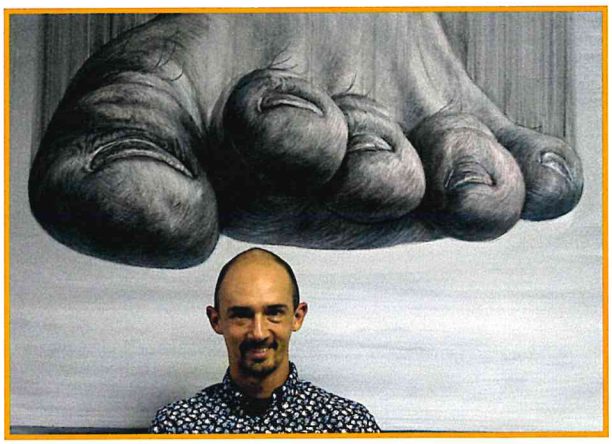
"28 Germans. 28 Americans. One purpose. This is what it's all about. International friendships have been the most profound gift in my life, and it is a privilege to watch my students form their own transatlantic bonds. We are one world and together we WILL make a difference." -- Lakeshore High School Teacher, Amy Perkins
#wunderbartogether

CONGRATULATIONS TO THE STUDENTS WHOSE EXCELLENT ARTWORK WAS CHOSEN FOR LEF'S 2019 ART AROUND TOWN!

A reception celebrating the artists, their families, faculty and sponsoring business partners was held at the ***Curious Kids' Museum*** on June 6. The art work will be on display at the Museum throughout the summer.

Twenty pieces of art are chosen from the five schools each season to be professionally framed and put on display. Businesses or individuals are welcome to sponsor one or more of these beautiful pieces of work. A sponsorship helps cover the cost of framing; in return, the business is invited to display the student's art for one year.

Thank you to the Program Chair, ***Naomi Ventura***, who has led this program for many years. Thank you to the children's museum for hosting the event and displaying the artwork all summer, to the sponsors, and the art educators of Lakeshore Public Schools for supporting our budding artists.



We'd also like to thank our guest judge for 2019. Nathan Margoni is an artist living and working in Benton Harbor, MI. His narrative paintings and grotesque sculptures have been exhibited at Shulamit Nazarian in Los Angeles, CA, the Urban Institute of Art in Grand Rapids, MI, and SPACE in Pittsburgh, PA. He currently teaches at the Krasl Art Center in St. Joseph, MI.

LEF LAKESHORE EXCELLENCE FOUNDATION

The Lakeshore Public Schools community is a wonderful area to live, work, raise your children, and an EXCELLENT place for education.

WHAT is LEF?

We are an all-volunteer non-profit 501c(3) established in 1997 to work independently, yet collaboratively, with Lakeshore Public Schools and the Board of Education. Our mission is to "acquire and distribute resources in support of Lakeshore Public Schools for programs and projects aimed at enriching or supplementing learning opportunities for students, staff, and the community."

Funds raised by LEF directly fund projects and grants impacting students and teachers throughout the district. Examples of LEF programs:

- **Grants**- Consisting of Foundation Projects, Staff Support, Professional Development, and the Patti Florian Student enrichment grants. The total 2019 Grants budget is $200,000.
- **Reading Matters**- Initiated in 2018, this project provides for overall improvement to the reading curriculum for grades K-12. The goal is for every student to read at their grade level, find personal joy and interest in reading, and realize the life-long benefits of reading. This is a 3 year, $300,000 investment in our students.
- **Auditorium Updates**- Our newest BIG project involves much-needed updates to our high school auditorium. The auditorium serves many purposes all year long including musicals, band concerts, community education, academic awards and recognition events to name a few. The Auditorium is truly a community space. Our 2019 investment in this project is $360,000.

WHY is LEF important to Lakeshore?

The state funding for public schools in Michigan continues to be a challenge and Lakeshore is in the bottom 25% in funding. Yes, 75% of Michigan public school districts receive more state funding on a revenue per student basis!

FROM GUIDANCE TO SOCIAL EMOTIONAL LEARNING CONTINUED...

relationship skills, and responsible decision making. According to CASEL, this is exactly what children need to develop a strong foundation of social emotional skills.

Many thanks to the Lakeshore Excellence Foundation for funding this crucial transition and providing us with data driven tools for instruction.

Keep your eyes peeled for information to come home providing more information about the program, and even parent resources to support your child at home.

While changing the name of our special from guidance to SEL may seem a like little thing to do, the meaning and intention behind this transition is paramount for Lakeshore to continue leading the community in supporting our students' social and emotional health. For more information or support, feel free to contact your school counselor.

Students take their robots for a test drive.

Students enjoying their robotics class

FIRST Robotics®

Team ***Lance-A-Bot*** sponsored a summer camp for fourth and fifth grade students new to the *FIRST* LEGO League® (FLL) program. Over the course of four days, students learned how to code LEGO MINDSTORMS® robots, which they will use later this fall to play the 2019 game, *City Shaper*.

Members of the high school team expanded their skills through a series of summer workshops on a variety of topics including design, building, electrical, and programming. Students will perform community service by doing roadside clean-up along two miles of Red Arrow Highway before school starts. The team plans to attend the *West Michigan Robotics Invitational* in October for one last opportunity to play the 2019 game, *Destination Deep Space*, before diving into the 2020 game, *Infinite Recharge*.

LMS Spring Choir Concert

State Choral Festival

Set the Stage

Last May, students performed at *Set the Stage*, the LMS Spring Choir Concert. Students chose and performed songs from various musicals. They wore concert black with an orange ribbon to honor Grace deBest. Grace is an 8th grade choir student who has leukemia. The students also organized a *Give Back Night* at Culver's to help the deBest family with treatment transportation costs.

Students pose in front of the Infinity Bean Sculpture in Millenium Park, Chicago, IL

LMS Choirs Tour Chicago

7th and 8th grade choir students enjoyed a field trip to Chicago. They got the opportunity to explore *Millennium Park* and *Navy Pier*, tour the *Nederlander Theater*, and see the Broadway show: *Dear Even Hansen*. They enjoyed dinner at *Rain Forest Café*.

LANCER CHOIR ENJOYS NEW YORK CITY!

LHS Choir Director, Katherine Rohwer, wrapped up her 10 years of excellence in directing the choir program and positively influencing the lives of students with a choir trip to New York City! Students and parents loaded the bus to travel to NYC after the last day of school in June. The busy trip included taking in the sights and sounds of *Time Square*, *Staten Island*, the *Statue of Liberty*, *Rockefeller Center*, and more! Students were able to meet a Broadway performer, James T. Lane who spent time sharing his story and answering student questions. They enjoyed three Broadway shows: *Kiss Me Kate*, *The Lion King*, and *Come From Away*. The choir performed at the *Cathedral of St. John Divine* and had impromptu performances at the *911 Memorial* site and in *Central Park*.

OUTSTANDING CHOIR STUDENTS PERFORM AT MYAF

The Lakeshore High School Choir had the high honor of both a duet (Michelle Shane and Caitlin Shepard) and the Bella Voce Choir students performing for *Michigan Youth Arts Festival* (MYAF). **Our outstanding students were chosen out of a group of approximately 250,000 who were narrowed down to the top 1,000 students** in the state of Michigan to perform at the festival.

Lakeshore High School - Back to School Night

The Lakeshore High School Back-to-School Night is Monday, September 9 beginning at 6:00 P.M. We recognize the value of families in the educational process and we hope to see all of you there!

During *Back-to-School Night*, parents/guardians follow their student's class schedule beginning with first hour and ending with sixth hour. Student schedules are available for pick-up in the hallway outside of the auditorium. Parents/guardians can also print student schedules ahead of time via the *Parent Portal link in Powerschool*. Each class period is 10 minutes with a five minute passing period. During the visit to the class, parents/guardians can expect to be briefly introduced to the teacher and the contents of the class, as well as provided a course syllabus and teacher contact information. During the seminar class, parents/guardians can expect to be provided the parent-access codes to Schoology. The time spent in each class is limited. If you would like to have a more detailed conversation with a teacher, we request that you set up an appointment for a later date. If you have any questions or concerns about *Back-to-School Night*, please contact LHS Principal Jeff Yauchstetter at **jyauchstetter@lpslancer.net**

We recognize the value of families in the educational process and we hope to see all of you there!

Also, if your son/daughter is planning on purchasing a yearbook, they will be sold on Monday at a discounted "early-bird" price. For yearbook questions, contact Mrs. Caid at hcaid@lpslancer.net

Homecoming Dance

This year to kick off a week of Homecoming festivities and to show off our Lancer Spirit, Student Council and Key Club will be hosting a Homecoming Dance.

The dance will be semi-formal on **Saturday, October 5th from 8:00-11:00 P.M.**

Tickets will be $10.00 and can be purchased in advance or bought at the door. This dance will be replacing the Holiday Dance normally held in December. We are excited to start this new tradition at Lakeshore High School. So mark your calendars, get your friends together and get ready for an evening of games, snacks, prizes and of course DANCING!

CALLING ALL LHS GAMERS

Lakeshore High School has joined the *Berrien County ESports League*, and will start competitions this fall. If you are interested in being a part of the LHS team, plan on attending an informational meeting on Thursday, September 5 at 3 P.M. in the LGI at Lakeshore High School.

LAKESHORE LANCERS

Freshmen & New Student Orientation

Tuesday, August 27, 2019
6 - 7:30 P.M.

Welcome class of 2023 and new students!

LHS Staff and the student council are excited to welcome incoming freshmen and new students to an evening of information designed to prepare students for a successful high school career at LHS.

Students will have the opportunity to get their schedules and locker assignments. There will be time during the orientation for all students to find their classrooms and the location of their locker.

LAKESHORE LANCERS

LAKESHORE LANCERS

Enjoy Walking at Lakeshore High School

The Lakeshore High School is available for walking Monday through Thursday from 5-8 P.M. (except when students are not in session). Please use the main front entrance DOOR #1 by the flagpole.

MODERN SQUARE DANCE LESSONS

Instructor: Ken Burke

Square Dancing is Michigan's Official Folk Dance and offers a little something for everyone, regardless of age! No experience necessary, aside from perhaps a love of music. Ken Burke, the certified caller/instructor will lead you through a series of basic dance steps. The sessions begin, Tuesday, September 17, 2019 from 7- 8:30 P.M. at Hollywood Elementary gym, 143 E. John Beers Rd. Stevensville. Take advantage of the free introductory lesson on September 17. No need to register just show up for the free session.

Questions:
Ken Burke at 269-325-7204
or burkenone@yahoo.com

Thank you

The parents of the Class of 2020 would like to thank everyone who was involved in planning and working this year's *California Dreaming* After Prom.

The evening was a huge success with students enjoying *inflatable jousting* and *Hungry Hippo*. Students worked to earn their prize tickets in the casino and had a blast. They were able to team-up for great games of laser tag and kept themselves alert with problem solving in the escape rooms. As always, there was more than enough food for everyone! The night wrapped-up with awesome prizes being raffled including a ton of excitement for the kayak, mini-fridge, and TVs. These great activities, food, and prizes would not be possible without the support from parents and our generous community. We would like to thank these local businesses for their contributions.

Public Notice

Non-Discrimination Policy

The Board of Education complies with all Federal and State laws and regulations, as well as the requirements and regulations of the U.S. Department of Education, with regard to prohibitions against discrimination, including but not limited to the following: Title II, Title IV, Title VI, Title VII of the Civil Rights Act of 1964; Title IX of the Education Amendments of 1972; Section 504 of the Rehabilitation Act of 1973; the Age Discrimination Act of 1975; the Americans with Disabilities Act of 1990 and its implementing regulations, the Individuals with Disabilities in Education Act (IDEA) and its implementing regulations; the Michigan Mandatory Special Education Act; and the Revised Administrative Rules for Special Education. Lakeshore Public Schools is committed to a policy of non-discrimination on the basis of gender, religion, race, color, national origin or ancestry, disability, age, marital status, and/or any other legally protected characteristics in employment, education or any program or activity for which the Board of Education is responsible and/or for which the Board of Education receives financial assistance from the U.S. Department of Education. If any individual believes he or she has been discriminated against or believes that the District or an employee of the District has inadequately applied the principles and/or regulations of any Federal or State law or regulation, or any requirement or regulation of the U.S. Department of Education, he or she should direct a complaint or request for accommodation to the District's Compliance Officers:

Julie Powell, Assistant Superintendent, 5771 Cleveland Ave., Stevensville, MI 49127, 269-428-1400, jpowell@lpslancer.net

LAKESHORE LANCERS

Public Notice

McKinney-Vento Homeless Assistance Act

At times, students' families may experience a housing emergency or crisis. Services are available for students whose families lack fixed, regular and adequate overnight accommodations.

A housing crisis is defined as: living in emergency, transitional or domestic violence shelter; living in cars, parks, public spaces, bus or train stations or similar settings; living with a friend, relative or someone else because you have lost your home or can not afford housing; living in a motel, hotel, trailer park or camp ground; awaiting foster care placement.

For additional information please contact: Stacey Steffes, Director of Student Services- Homeless Liaison, 269 428-1407 ssteffes@lpslancer.net

LAKESHORE LANCERS

RIGHTS UNDER THE PROTECTION OF PUPIL RIGHTS AMENDMENT (PPRA)

PPRA affords parents certain rights regarding our conduct of surveys, collection and use of information for marketing purposes, and certain physical exams. These include the right to: **Consent** before students are required to submit to a survey that concerns one or more of the following protected areas ("protected information survey") if the survey is not funded in whole or in part by a program of the U.S. Department of Education (ED) – 1. Political affiliations or beliefs or of the student or student's parent; 2. Mental or psychological problems of the student or student's family; 3. Sex behavior or attitudes; 4. Illegal, anti-social, self-incriminating, or demeaning behavior; 5. Critical appraisals of others with whom respondents have close family relationships; 6. Legally recognized privileged relationships, such as with lawyers, doctors, or ministers; 7. Religious practices, affiliations, or beliefs of the student or parents; or 8. Income, other than as required by law to determine program eligibility.

Receive notice and an opportunity to opt a student out of – 1. Any other protected information survey, regardless of funding; 2. Any non-emergency, invasive physical exam or screening required as a condition of attendance, administered by the school or its agent, and not necessary to protect the immediate health and safety of a student, except for hearing, vision, or scoliosis screenings, or any physical exam or screening permitted or required under State law; and 3. Activities involving collection, disclosure, or use of personal information obtained from students for marketing or to sell or otherwise distribute the information to others. **Inspect**, upon request and before administration or use – 1. Protected information surveys of students; 2. Instruments used to collect personal information from student for any of the above marketing, sales, or other distribution purposes; and 3. Instructional material used as part of the educational curriculum. These rights transfer to from the parents to a student who is 18 years old or an emancipated minor under State law. Lakeshore Public Schools will directly notify parents of these policies at least annually at the start of each school year and after any substantive changes. Lakeshore Schools will also directly notify, such as through U.S. Mail or email, parents of students who are scheduled to participate in the specific activities or surveys noted below and will provide an opportunity for the parent to opt his or her child out of participation of the specific activity or survey. Lakeshore Schools will make this notification to parents at the beginning of the school year if the District has identified the specific or approximate dates of the activities or surveys at that time. For surveys and activities scheduled after the school year starts, parents will be provided reasonable notification of the planned activities and surveys listed below and be provided an opportunity to opt their child out of such activities and surveys. Parents will also be provide an opportunity to review any pertinent surveys. Following is a list of the specific activities and surveys covered under this requirement: Collection, disclosure, or use of personal information for marketing, sales or other distribution. Administration of any protected information survey not funded in whole or in part by ED. Any non-emergency, invasive physical examination or screening as described above. Parents who believe their rights have been violated may file a complaint with: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, D.C. 20202-8520

Advisory To All Parents

Lakeshore Public Schools has adopted an Integrated Pest Management program. Inherent with this are the District's efforts to reduce pesticide use as much as possible. While it may occasionally be necessary to apply a pesticide, these will only be used as a last resort. This program does not rely on routine pesticide applications to resolve problems. We use various techniques such as habitat alteration, sanitation, mechanical means, exclusion, etc. to prevent pests from becoming a problem. You will receive advanced notice of the application of a pesticide, other than bait or gel formulations at your child's school. This advance notice of the application will be given 48 hours before the application. The law requires us to do this notification by using two methods. The first method required by the law is the posting at entrances to your child's school. The entrances that will be posted are the primary entrances to the building from the parking lot(s). The second method we are going to use is the posting in a common area located by the main office of the school. Parents are also entitled to receive this notice by first class United States mail postmarked at least three days before the application. If you would like to be notified by mail please contact the Business Office at the (269) 428-1400. Please give the Business Office secretary your name, mailing address, and what school your child attends. In an emergency (for example, bees' nest), pesticides may be applied without prior notice, but if you desire you will be provided notice following any such application.

You may review our IPM program or pesticide application records for your child's school by calling or emailing Nick White, the District's Director of Operation and Maintenance, at phone number (269) 428-1400 or email: nwhite@lpslancer.net

Privacy Policy

Rights under FERPA for Elementary and Secondary Schools

The Family Educational Rights and Privacy Act (FERPA) affords parents and students who are 18 years of age or older ("eligible students") certain rights with respect to the student's education records. These rights are: The right to inspect and review the student's education records within 45 days after the day Lakeshore Public Schools receives a request for access. Parents or eligible students who wish to inspect their child's or their education records should submit to the school principal a written request that identifies the records they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA. Parents or eligible students who wish to ask Lakeshore Public Schools to amend their child's or their education record should write the school principal, clearly identify the part of the record they want changed, and specify why it should be changed. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing. The right to provide written consent before the school discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. The criteria for determining who constitutes a school official and what constitutes a legitimate educational interest must be set forth in the school's or school district's annual notification for FERPA rights. A school official typically includes a person employed by the school or school district as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the school board. A school official also may include a volunteer, contractor, or consultant who, while not employed by the school, performs an institutional service or function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, or therapist; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks. A school official typically has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the school discloses education records without consent to officials of another school or school district in which a student seeks or intends to enroll, or is already enrolled if the disclosure is for purposes of the student's enrollment or transfer. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Lakeshore Public Schools to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202 See the list below of the disclosures that elementary and secondary schools may make without consent. FERPA permits the disclosure of PII from students' education records, without consent of the parent or eligible student, if the disclosure meets certain conditions found in § 99.31 of the FERPA regulations. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the parent or eligible student, § 99.32 of the FERPA regulations requires the school to record the disclosure. Parents and eligible students have a right to inspect and review the record of disclosures. A school may disclose PII from the education records of a student without obtaining prior written consent of the parents or the eligible student – To other school officials, including teachers, within the educational agency or institution whom the school has determined to have legitimate educational interests. This includes contractors, consultants, volunteers, or other parties to whom the school has outsourced institutional services or functions, provided that the conditions listed in § 99.31(a)(1)(i)(B)(1) - (a)(1)(i)(B)(3) are met. (§ 99.31(a)(1)) To officials of another school, school system, or institution of postsecondary education where the student seeks or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to the student's enrollment or transfer, subject to the requirements of § 99.34. (§ 99.31(a)(2)) To authorized representatives of the U. S. Comptroller General, the U. S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as the State educational agency (SEA) in the parent or eligible student's State. Disclosures under this provision may be made, subject to the requirements of § 99.35, in connection with an audit or evaluation of Federal- or State-supported education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf, if applicable requirements are met. (§§ 99.31(a)(3) and 99.35) In connection with financial aid for which the student has applied or which the student has received, if the information is necessary for such purposes as to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid. (§ 99.31(a)(4)) To State and local officials or authorities to whom information is specifically allowed to be reported or disclosed by a State statute that concerns the juvenile justice system and the system's ability to effectively serve, prior to adjudication, the student whose records were released, subject to § 99.38. (§ 99.31(a)(5)) To organizations conducting studies for, or on behalf of, the school, in order to: (a) develop, validate, or administer predictive tests; (b) administer student aid programs; or (c) improve instruction, if applicable requirements are met. (§ 99.31(a)(6)) To accrediting organizations to carry out their accrediting functions. (§ 99.31(a)(7)) To parents of an eligible student if the student is a dependent for IRS tax purposes. (§ 99.31(a)(8)) To comply with a judicial order or lawfully issued subpoena if applicable requirements are met. (§ 99.31(a)(9)) To appropriate officials in connection with a health or safety emergency, subject to § 99.36. (§ 99.31(a)(10) Information the school has designated as "directory information" if applicable requirements under § 99.37 are met. (§ 99.31(a)(11)) To an agency caseworker or other representative of a State or local child welfare agency or tribal organization who is authorized to access a student's case plan when such agency or organization is legally responsible, in accordance with State or tribal law, for the care and protection of the student in foster care placement. (20 U.S.C. § 1232g(b)(1)(L)) To the Secretary of Agriculture or authorized representatives of the Food and Nutrition Service for purposes of conducting program monitoring, evaluations, and performance measurements of programs authorized under the Richard B. Russell National School Lunch Act or the Child Nutrition Act of 1966, under certain conditions. (20 U.S.C. § 1232g(b)(1)(K)) The District typically discloses "directory information" to the entities, and/or in the circumstances, described above. If you do not want the District to disclose directory information from your child's education records without your prior written consent, you must notify the District in writing. If you elect to "opt out" of the disclosure of any specific type of directory information, the District will elect not to disclose any directory information for your student(s). Opt out forms are available at the Central Administration Building. If you have any questions, please contact Stacey Steffes, Director of Student Services at 269 428-1407.
